

Google Analytics Page

The Google Analytics page is a statistics page that allows the Foundation to view how a user visits our site, how long a user views the site, and where that user is located throughout the world.

We have been tracking user habits and hits to our site and here are the results:

The Let Go...Let Peace Come In Foundation has reached 6 out of 7 continents of the world. The only continent the Foundation has not received visits from is Antarctica. Antarctica has no permanent inhabitants.

www.letgoletpeacecomein.org has had 54,392 visits from 162 countries and more than 6,431 cities worldwide

3 visits from Afghanistan. It is from 1 city.
